SHARING OUR SUCCESS

PEDIATRIC MOBILE CLINIC

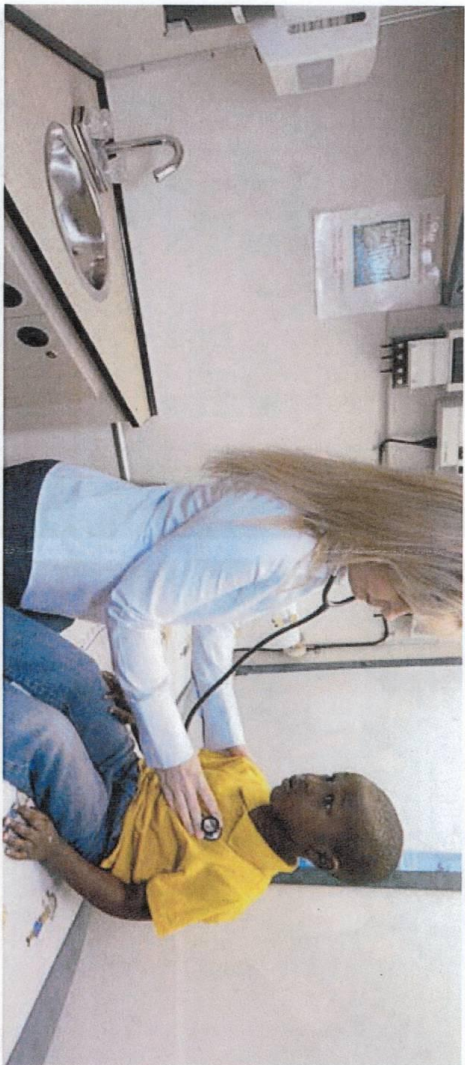

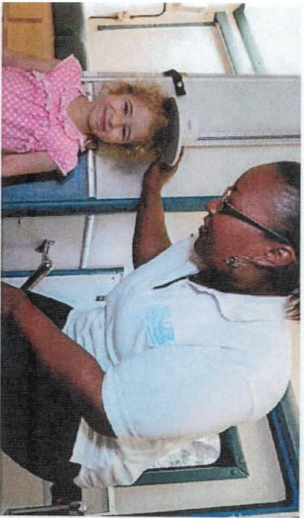

Our Mission

To provide comprehensive primary health care services free-of-charge to children most in need, specifically those with no access or limited access to health care.

Serving Communities in Need

Miami-Dade County has the highest percentage of **uninsured** and **underinsured** residents in Florida and among the highest in the nation.

The Pediatric Mobile Clinic provides excellent care to chronically ill pediatric patients, foster children, uninsured working families, migrant families and recent immigrants throughout Miami-Dade and Broward Counties on a monthly revolving schedule. 97% of the children receiving services are uninsured.

During 2010 we provided:

- 2000 medical visits
- 3000 immunizations
- 1000 social services to children and families
- 800 nutritional counseling sessions
- 5,600 hours of training for medical students, residents, interns and fellows
- Assistance with Florida KidCare applications and instructions for enrollment

With the ongoing support and friendship of our partners, we will continue to provide exceptional and personalized healthcare to underserved children in South Florida.

If you would like to support the University of Miami Pediatric Mobile Clinic, please call 305-243-9225.
