K-12 Voluntary Student Accident Insurance Coverage

Coverage underwritten by: Mutual of Omaha Insurance Company; Mutual of Omaha Plaza; Omaha, NE 68175

ELIGIBILITY:

All registered students grades PreK-12 of a participating school/district.

COVERAGE OPTIONS

24-HOUR COVERAGE: Provides coverage for injuries incurred 24-Hours a day, 365 days a year, at home, at school and while participating in interscholastic athletics (except injuries incurred while participating in High School Football events/activities). Because the Policyholder requires coverage for students/athletes under an At School including Interscholastic Athletic program, benefits will be payable under that program before being considered under a 24-Hour Voluntary program.

AT SCHOOL COVERAGE: Insurance coverage is provided: (a) on school premises during the hours and days when school is in session, (b) on school premises when school is not in session if participating in or attending any school sponsored event or activity; and (c) while attending or participating in school sponsored and supervised activities off school premises (i.e. day field trips). Coverage is provided while traveling to, during or after such activities as a member of a group in transportation furnished or arranged by the Policyholder and traveling directly to or from the Insured's home premises and school premises when school is in session. No coverage is provided for participation in High School Interscholastic Athletics/High School Football. Because the Policyholder requires coverage for students/athletes under an At School including Interscholastic Athletic program, benefits will be payable under that program before being considered under an At School Voluntary program.

COVERAGE PERIOD – Coverage under the At School and 24-Hour programs begins on the date of premium receipt but not before the start of the school year activities. At School Coverage ends at the close of the regular nine-month school term, except for events sponsored and supervised by the school during the summer. 24-Hour Coverage ends when school reopens for the following fall term. Coverage is available under both plans throughout the school year at the premiums quoted (**no pro rata premiums available**).

BENEFITS

ACCIDENT MEDICAL EXPENSE: When a covered injury to an Insured results in treatment by a physician or surgeon beginning within 60 days of the date of the accident; we will pay benefits as shown in the **Schedule of Benefits**, in excess of the Medical Deductible, if any. Benefits for any one accident shall not exceed in the aggregate the maximum Medical Benefit of \$25,000 (\$2,000 for Motor Vehicle Accidents, other than 2 or 3 wheeled). We will pay the Medical Expenses an Insured incurs for covered services that exceed amounts payable by any Other Insurance Plan, subject to the Deductible, Benefit Percentage, and Benefit Period.

DEFINITIONS

Allowable Expense means a Medical Expense otherwise payable under the policy that is not in excess of the 85th percentile identified on Context4HealthCare (the "Database"). When there is, in Our determination, minimal data available from the Database for a Medical Expense, We will determine the amount to pay by calculating the unit cost for the applicable service category using the Database and multiplying that by the relative value of the Medical Expense based upon a commercially available relative value scale selected by Us. In the event of an unusually complex medical procedure, a Medical Expense for a new procedure or a Medical Expense that otherwise does not have a relative value that is in Our determination applicable, We will assign a relative value. The Medical Expenses We pay may not reflect the actual charges of a provider and does not take into account the provider's training, experience or category of licensure. A provider may charge the Insured the difference between what the provider charges and the amount We pay under the policy. The Database will be updated by us as information becomes available from the supplier, up to twice each year. We may modify the Database in Our discretion to reflect Our experience. We have the right, in Our discretion, to substitute or replace the Database with another database or databases of comparable purpose, with or without notice.

Injury means bodily harm which: (1) requires treatment by a Physician; (2) results in loss due to an Accident, independent of Sickness and all other causes; and (3) occurs within the Scope of Coverage.
